

The background is a deep blue gradient with a subtle pattern of white stars. Overlaid on the left side are several white geometric and celestial diagrams. These include concentric circles, arcs, and dashed lines, some with arrows indicating direction. A prominent circular scale with degree markings (40, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, 260) is visible. Other smaller circular elements with arrows are scattered across the left half of the image.

It reminds me of a poem.....

*I leave no trace of wings in the air,
but I'm glad I have had my flight.*

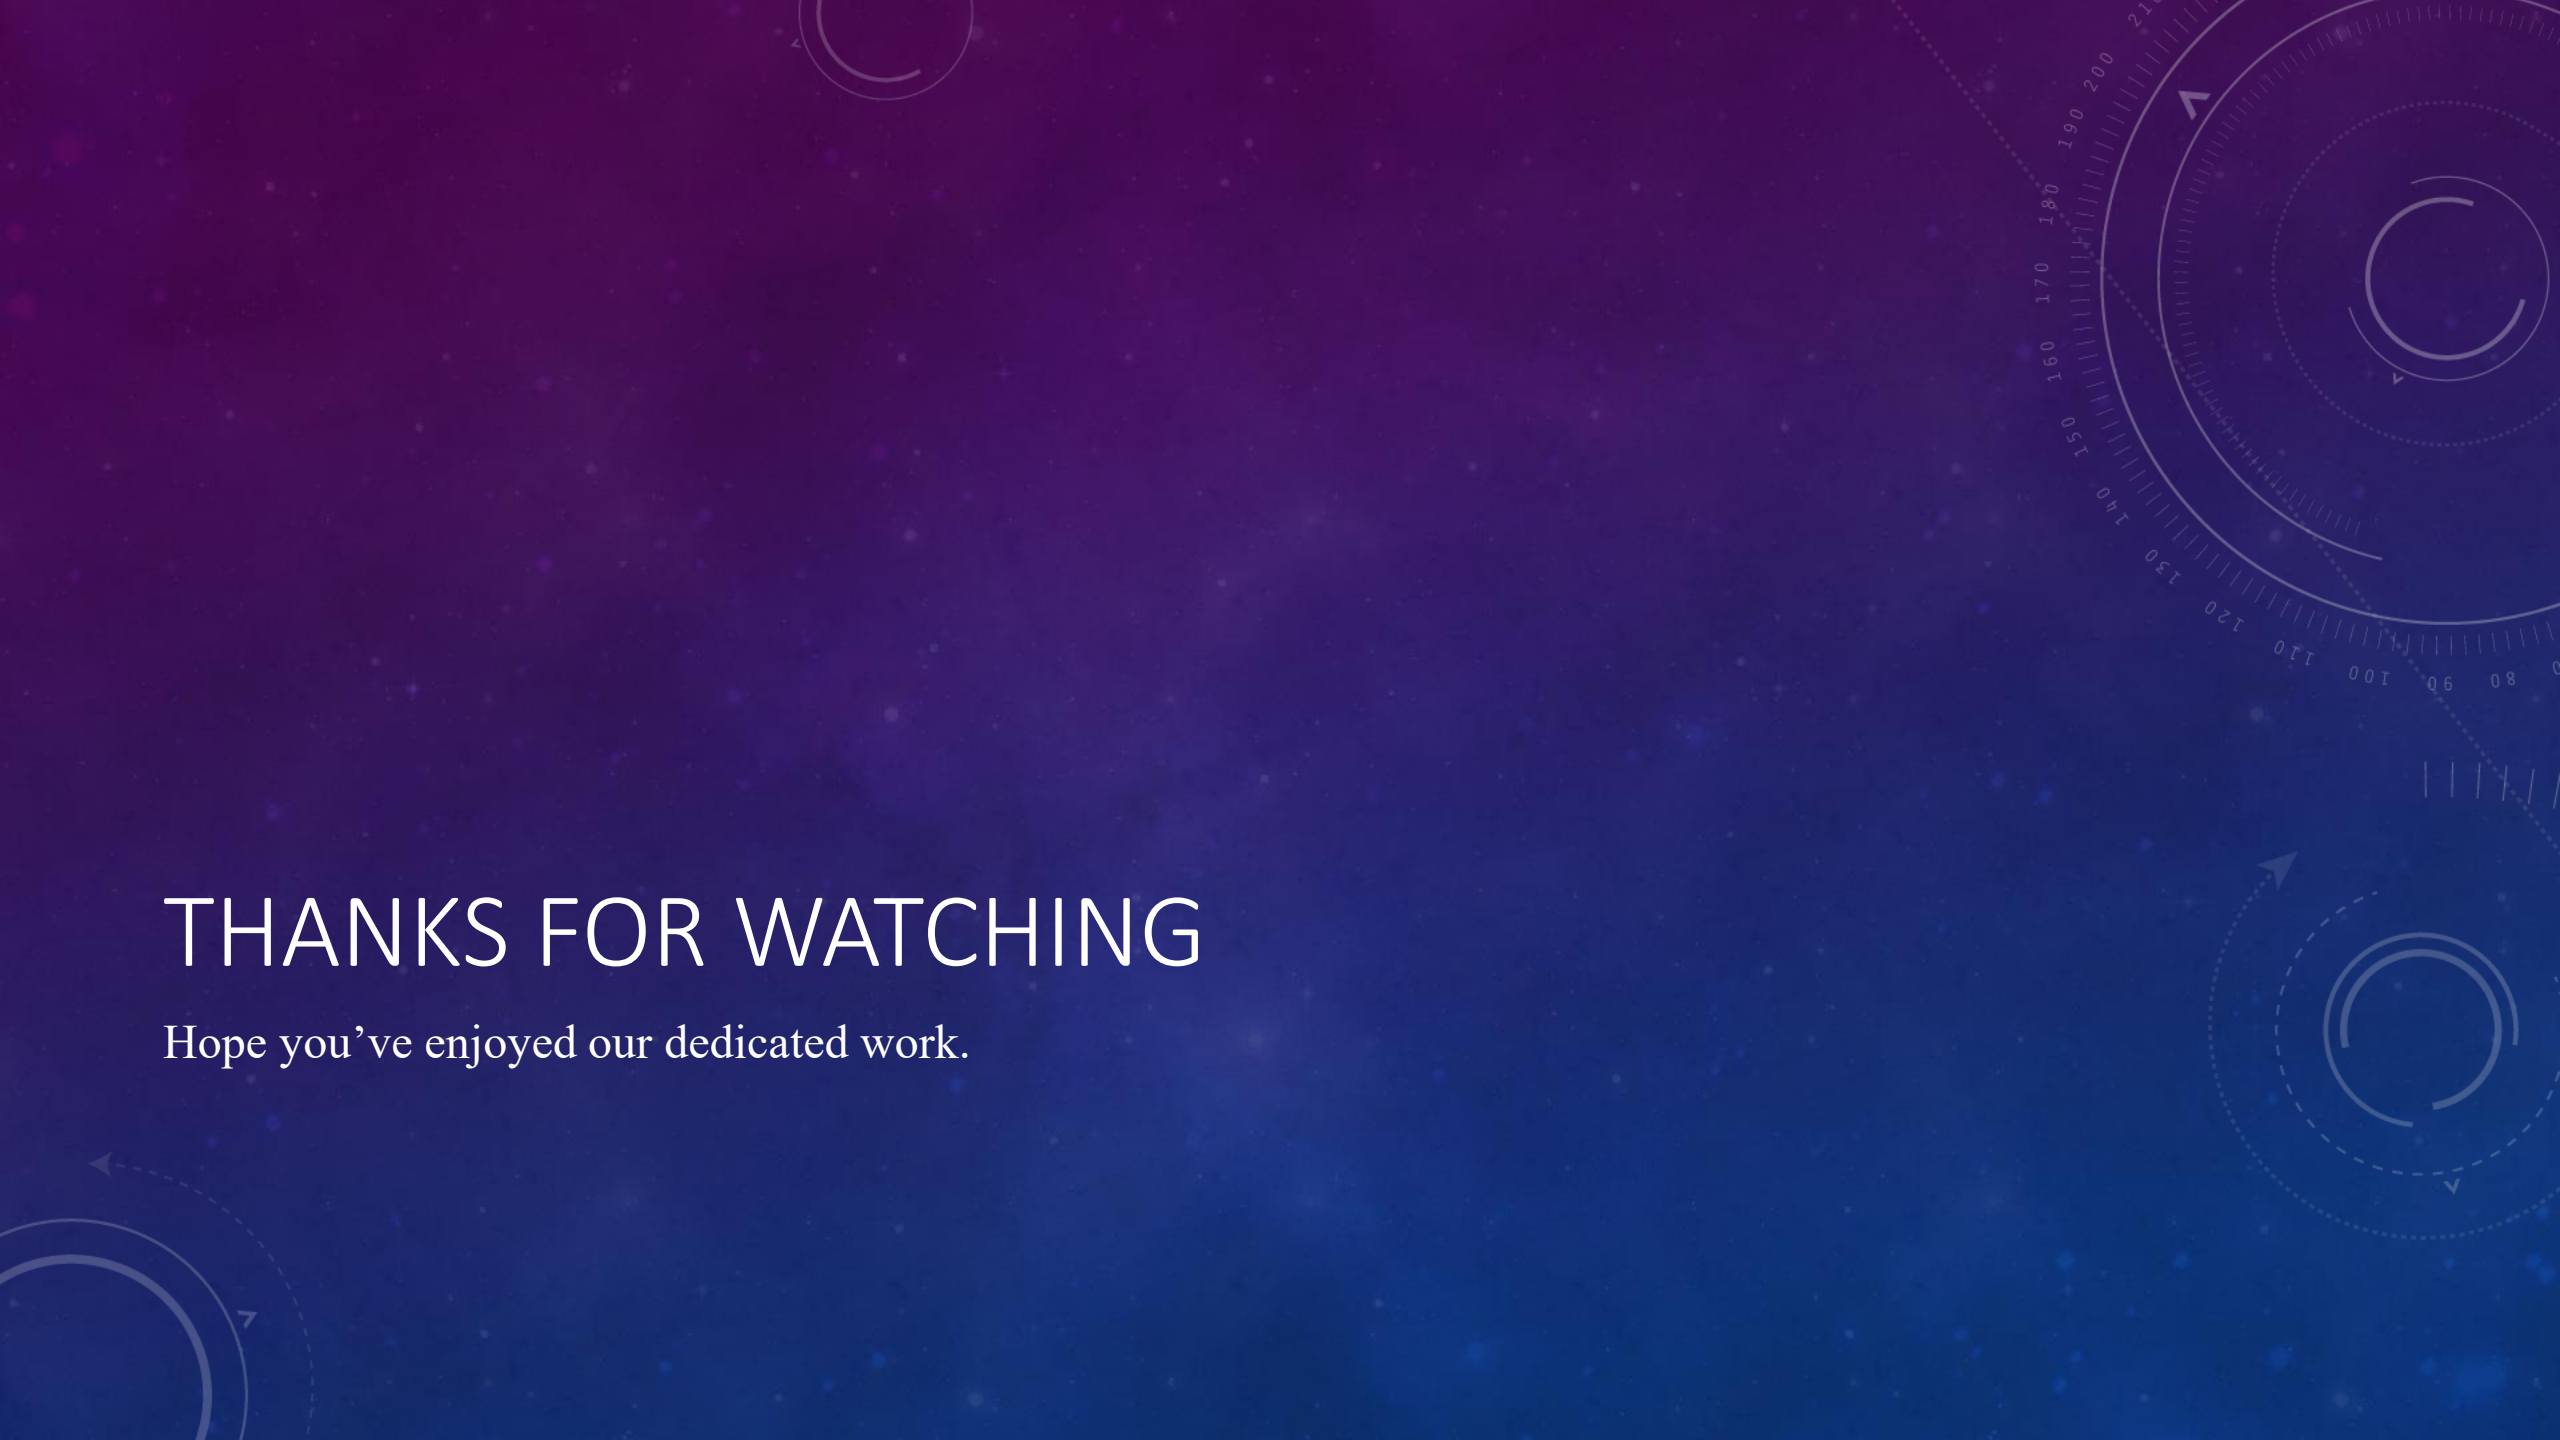

I have no other stars,
yet you have duplicated
a constantly
proliferating universe

I CANNOT CHOOSE THE BEST, THE BEST CHOOSE ME

Whether or not:
